

COLORADO HEALTHOP'S EPO NETWORK

Colorado HealthOP's Exclusive Provider Organization (EPO) network is made up of medical providers and facilities that share our commitment to high-quality care and health management. This way of administering health care is highly effective in both quality and cost of care. EPO plans offer a limited network of doctors and facilities. You receive no coverage if you visit out-of-network providers or facilities, except for emergency care. Choosing an EPO plan and utilizing the EPO network keeps your costs lower.

COUNTIES WITH EPO NETWORKS

The counties in orange have a network of EPO doctors and medical facilities, but not all providers are enrolled. Please check online at www.cohealthop.org to see the list of medical providers and facilities.
