## »» WHY HOSPITAL INDEMNITY INSURANCE FROM MEDICO?

### FOR YOUR SECURITY . . .

Even with the best primary insurance plan, when you're hospitalized for an injury or illness there will probably be medical expenses and out-of-pocket costs that aren't covered. A hospital indemnity insurance plan provides cash benefits to use as you see fit. The benefits are predetermined and paid regardless of any other insurance you may have, and you have a choice of applying for basic or a more robust plan. Whether you want a plan that provides hospitalization benefits only, or one that also covers outpatient rehabilitation, ambulance transportation and skilled nursing facility benefits, Medico can help.

## »» ADVANTAGES OF MEDICO'S HOSPITAL INDEMNITY INSURANCE

- Benefits are payable directly to the individual, unless otherwise specified.
- Benefits can be used in any way an individual chooses to cover additional costs like deductibles, co-pays or other out-of-pocket expenses, or to cover household expenses while hospitalized.
- Benefits are payable in addition to any other insurance that may apply.
- This plan has No Deductible, No Precertification and No Network of Hospitals.
